Dylone by Ali Morton, Brodie Bears
Who could resist this loveable cutie? Dylone is a handsome fellow sewn from soft medium length mohair; the tipped variety that Ali has used looks stunning but you could experiment with all kinds of colours and styles if you wish. Measuring 25.5cm (10”) sitting, he has been designed with bent legs and arms, allowing him to sit very naturally and his expression is so appealing. Grab your sewing kit and get stitching today!
